Why WellCare for Your Medicare Beneficiaries

Medicare beneficiaries in your community want to be active, stay independent and live a full life. And their Medicare Advantage plan should help them toward those goals. It should go beyond treating illnesses and work to keep them from starting in the first place. It should be simple, easy to access and there when they need it.

We promise our members “A Better You.” We give Medicare beneficiaries choices in high-quality coverage, valuable benefits in one package and information to make good decisions about their health. We strive to help them meet the challenges in daily life that can affect their health.

WellCare’s 2019 Medicare Advantage and Part D Prescription Drug Plans offer benefits and services to Medicare beneficiaries that go beyond healthcare, so our members can reach toward something more: overall better health and wellness.

Benefits and Features in 2019

Our Networks

WellCare Medicare Advantage plans offer low-copays on doctor visits, so it’s affordable for members to see providers as often as needed to manage chronic diseases and prevent and treat illnesses. Our networks include a variety of exceptional doctors, hospitals and specialists. Primary Care Providers (PCPs) serve as a ‘medical home’ for our members and coordinate their care with specialists.

Help with Health Challenges

Community-based teams offer support to members who have chronic conditions or who have been hospitalized, including House Call in-home visits. These teams can help coordinate doctor visits, educate members about everyday healthy behaviors, and offer extra care and support.

Supplemental Benefits

New in 2019, some plans will offer benefits like in-home support to help with daily living activities like cooking and household chores for members who have certain conditions.

Also new for 2019, some states will offer plans with:

- Rolling OTC amounts - unused amounts roll over month to month or quarter to quarter
- Telehealth – Access to Acute and Behavioral Health providers via real time audio and video

Healthy Rewards

Members can earn gift cards just for getting preventive care services. Most preventive care services are covered at no cost!

More Stars in More Markets

WellCare remains committed to improving the quality of its Medicare Advantage plans year over year. With multiple improvements to Star Ratings in 2018, WellCare will continue to focus on enhancing our coordinated care approach to better the health and quality of our members' lives.

Starting in 2019, members will pay \$0 for a 90-day supply of medicine on Tiers 1 and 2 from CVS Caremark Medication Home Delivery. For all other tiers, members will only be responsible for a 2-month retail copay for a 90-day supply of medication.

You can feel good representing WellCare to your clients.

Our Medicare Advantage plans offer affordable coverage and valuable benefits in one package with the extra help your Medicare beneficiaries need to meet the challenges in their daily lives.
