YOUR HEALTH INSURANCE COVERAGE MAY **LEAVE YOU WITH OUT-OF-POCKET EXPENSES**

Here's a simple solution to help cover these costs!

+ ADVANTAGE PLUS® WILL PAY YOU BENEFITS FOR:

HOSPITAL CONFINEMENT

This benefit will pay you between \$100 to \$600 per day should you be confined to a hospital depending on what benefit you choose. You can choose a 3-day, 6-day, 10-day or 21-day benefit period which will restore after 60 days of no hospital confinement.

NOW AVAILABLE: A short hospital stay between 12 to 24 hours is included in the 3 and 6-day benefit periods. This short stay benefit is available as an optional rider on our most popular 10 and 21-day policies.

+ Observation Stays Covered

People may be surprised to find out that after being confined in the hospital for days, they weren't covered if their stay was categorized as "hospital observation." Guarantee Trust Life's Advantage Plus covers both hospital confinement and hospital observation.

MENTAL HEALTH BENEFITS

Your policy will pay \$175 per day for up to seven days if you are confined to a hospital for a mental or nervous disorder. This benefit is in lieu of hospital confinement benefit for sickness or injury, not in addition.

EMERGENCY ROOM BENEFITS

This benefit will pay you \$150 if you are admitted to a hospital within 24 hours following an emergency room visit due to accident or injury (not available in GA).

DID YOU KNOW?

Did you know the average length of a hospital stay is 6 days?¹ If your health insurance plan has a copay of \$250 per day, one trip to the hospital could cost you \$1,500!

Benefits from your Advantage Plus policy can help offset these costs!
